1 Right now, I'm inspired by

the resurgence of national and international interest in L.A. modern architecture.

2 My piece of advice

We are all artists, but many of us were taught to believe early on that art creation was reserved for the talented few. That's not true! My mother started painting at 63. Don't be afraid—we all have something worthy within us to express. Paint, write, sing today!

3 My style icon

is Sofia Coppola.

4 On my playlist

Empire of the Sun, *Walking on a Dream*

5 My cheap thrill

is Peeps.

6 My necessary luxury

is a hot bath and Baked Alaska. Not together.

7 My favorite art pieces

at the moment are paintings by Cecily Brown, Kelly Reemtsen, Graydon Parrish and Maurice de Vlaminck.

8 My favorite day of every year

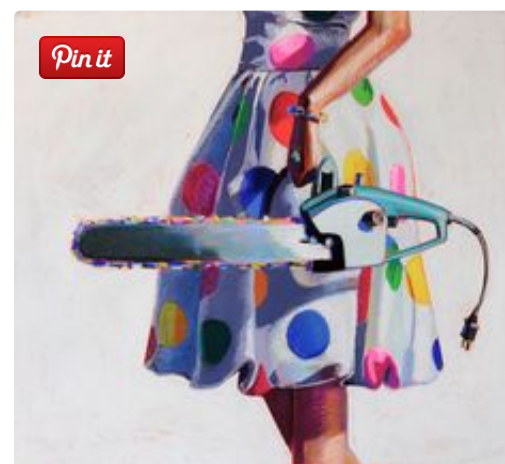

is Christmas, because it brings together my extended Southern family.
